Wm. E. Mickle.

Adjutant General and Chief of Staff.

The Adjutant General has made every attempt possible to have the foregoing list accurate, but he has been much hampered by the dilatoriness shown by many officers in making reports. He will gladly correct any errors that may be found as soon as he is advised by those authorized to make the change; but he wishes it distinctly understood that he cannot promise to make corrections after April 1st, when the copy is put into the hands of the printer. He begs Camp Officers to aid him in his efforts to have a full and absolutely correct list in the future.
